DETAILED ACTION

1. Claims 1-9, 15, 16 and 21-27 are pending. The previous rejection is withdrawn pursuant to Applicant's November 30, 2006 REMARKS.

Claim Rejections - 35 USC § 103

2. Claims 1-9, 15, 16 and 21-27 are rejected under 35 U.S.C. 103(a) as being unpatentable over Evans et al., US 6,775,647.

Evans discloses, e.g. Figs. 1-23, an apparatus for estimating manufacturing cost for a product, e.g. 16, an input device, e.g. keyboard, a random access memory, e.g. col. 3, lines 33-51, RAM or ROM, and a display device, e.g. a computer, and at least two external suppliers, e.g. manufacturers. Evans does not explicitly disclose a processor. Official Notice is taken that computer apparatus comprising processors adapted to calculate cost have been common knowledge in the computer processing art. To have provided such for Evans would have been obvious to one of ordinary skill in the art. It is noted that the Evans apparatus is deemed able to carry out all of Applicant's intended use claim language, e.g. claim 1, lines 1, 5 "for estimating" and "adapted to calculate." It is noted that intended use claim language in juxtaposition to positively recited claim language, e.g. claim 1, line 1, "An apparatus," merits little, if any, patentable weight. Applicant's July 28, 2006 REMARKS have been reviewed, but are moot in light of the new grounds of rejection.

3. Further pertinent references of interest are noted on the attached PTO-892.

Conclusion

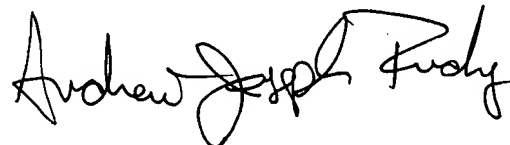

4. Applicant's July 28, 2006 amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
